ON THE RADAR

MSEA Special General Assembly Update:

MSEA is conducting a Special General Assembly on September 9th and 10th in Grand Rapids, Michigan. Delegate representation at the Special Assembly will be by Region. Please contact the MSEA Central Office or your Regional Director for further details on the election of delegates. The Special Session will include (1) the consideration of constitutional amendments and (2) the election of the State Officers and State Board of Directors.

Knowing your Contract:

Did you know Article 4 of the MSEA CBA handles communication via Bulletin Boards? Article 4 § (C) states in pertinent part: *"The Employer agrees to furnish space for MSEA bulletin boards at reasonable locations; to enable employees of the Representation Unit to see materials posted"* This is a great way to keep coworkers informed and post contact information on behalf of MSEA. Let's make sure to utilize this benefit at all work locations. We are dedicated to keeping our contract provisions on the radar, let's stand in solidarity, upholding each others workplace rights.

MSEA Member Leader Highlight:

Jim Kwapiszewski, MSEA Bargaining Team Member and Electrician with MDOT, lead our committee for Electricians and Plumbers during negotiations. Jim's sacrifice helped to secure his coworkers in these classifications a 20% wage increase. This is the largest class specific wage increase in the history of collective bargaining with the State of Michigan. Thank you Jim for your hardwork and dedication.
